Chapple Heritage Days

There was a party going on in Barwick, just west of Emo, during the 10th annual Chapple Heritage Days. The fundraiser, held in the Township of Chapple Friday and Saturday for the Chapple Museum, had people roasting weiners, eating homemade ice cream, listening to music, and enjoying a tractor pull. People also took part in a hatchet hunt, watermelon eating contest, kids coin hunt, wagon rides, whippet rides and other activities. **TOP PHOTO:** Visitors had the privilege of riding on a 1927 Whippet on Saturday during Chapple Heritage Days. **BOTTOM PHOTO:** Larissa McKelvie feeds Andrea Parisien watermelon in their watermelon contest team on Saturday at Chapple Heritage Days. They came in second place in their age group.
